

RALLY REPORT GOOLWA

Monday 8th April 2024.

All arrived to a very wet welcome at the Goolwa Discovery Park but it did not stop everyone to set up and head to the camp kitchen for our 4.30pm happy hour. Graham (our acting president) welcomed us all and discussed the programme for the week ahead. Being so wet it was decided to cook our own barbeque meat and share salads. Everyone was again friendly and all had a great evening.

Tuesday 9th April

was an early morning 8.30am start with breakfast of Bacon and eggs on a warm roll, raisin toast fruit platters tea coffee and orange juice (compliments of the club), A big thankyou Marilyn and Chris at their lovely home at Goolwa.

Chris, John and Paul went for a cruise on the river, it was mentioned that if they had fallen overboard they would have easily been identified wearing their Carefree name badges.

Happy hour again was enjoyed with lots of drinking, talking and being in the company of fellow caravaneers.

The evening was enjoyed with a music quiz won by Marilyn and John Grovermann. Another big thankyou to Chris and Marilyn for the music entertainment.

Wednesday 10th April.

Was a free day to enjoy and explore the Fleurieu Peninsula. By all account everyone did just that. Happy hour was another fun get together.

Graham reminded us about the upcoming State Rally in October. Anyone interested in going to update the blue book ASAP.

Congratulations to Cathy winning the lucky envelope "Well Done Cathy"

A well know member was driving out in his 4 X 4 and he says that he was distracted by the two lovely ladies in his car. The story goes that he forgot to disconnect the power cord from his freezer at the back of his car OOPS! I wonder who that was??? Me thinks initials CD.

Thursday 11 April.

Unfortunately the cockling had to be cancelled due to no cockles around.

All went to the Coorong Café on Hindmarsh Island for a very enjoyable fish and chip lunch overlooking the River Murray Mouth.

John Grovermann then took us to Hindmarsh Island International Airport to see the Tiger moth planes that have been restored, ready to fly once again.

Back to the park for disc bowls with Chris and Graham winning the chocolates.

Final Happy Hour for this rally was again enjoyed by all.

Friday 12 April

Pack up day after another very successful rally.

Rhonda and Bob Wainwright.
